

Ibiza Country Villas presents an ideal plot for developers of luxury villas: two adjoining urban plots of 1.700m² each, with sea views, 50 metres from Cala Martina.

On them could be built 3 independent villas with a plot of about 1.000m².

This is an urban plot without slopes in Santa Eulalia del Rio, on the shore of Cala Martina, an area whose interest is growing exponentially due to its tranquillity and the quality and quantity of services offered by the municipality.

Urbanistic Certification is available for both plots.
