Exceptional five bedroom property in Cala Moli

This exceptional property is situated in Cala Moli and is a perfect combination of modernity and rustic elegance. It is made with a mix of materials from the north of Spain and from Ibiza and combines clean geometric lines and customised design elements to create an understated yet luxurious space.

When you walk through the door, you will be immediately overwhelmed by the symphony of texture and colour that creates a sense of balance and harmony throughout the house. From niche hand crafted tiles that add an artisanal touch to a beautiful gold mural painted by one of the local artists, every detail is carefully selected to raise the level of the space and make it come alive.

It is a house that combines minimalism with elegance, taking inspiration from the rustic charm of Ibiza's landscape and culture, but with a modern twist that is as modern as it is timeless.
