

Casa Martina Mar is designed with a main house with a spacious master bedroom area on the first floor, providing a private roof terrace with extensive panoramic views to the sea. The ground floor features another two double bedrooms with en-suite bathrooms in the east wing of the bulding. the open -plan kitchen with dining area estends out to a porched veranda, leading out into the Mediterranean garden with satwater pool, facing towards the sea.

The guest house features another three bedrooms with en-suite bathrooms and is seperated from the main house via a charming patio, creating a bohemian showcase and reception hall for guests. Additionally, the basement offers plenty of possibilities and space for your own ideas. Currently there's generous underground parking for eight cars, a wellness and fitness area with loung bar and wine cellar included in the planing.

Casa Martina Mar is just two minutes walking distance to the beach.
