Charming house 500 metres from the beach of Migjorn, in Formentera

Charming house in Formentera, a few metres from the famous beach of Mitjorn.

It is a rustic house with its beautiful blue shutters that has been reformed in its interior, which has a lot of potential but at the same time, a charm and comforts that allow to enter to live.

Close to well-known restaurants and marvellous corners, the property is distributed in a main house where we there are three bedrooms and three bathrooms, as well as two annexes of 35m² and 16 m² respectively.

It is located on a plot of land of more than 21.000m² which allows to build and extend up to 600 square metres of which 365 square metres of house.

The house has its own well and the large plot has fruit trees.

Price is negotiable.
