Newly refurbished villa at the top of Can Furnet

Ibiza Country Villas presents this beautiful newly refurbished villa at the top of the exclusive urbanization of Can Furnet.

Can Furnet is a privileged location for those who are looking for tranquillity, privacy and security (24 hour security), without renouncing to a central and well communicated location that allows easy access to all the services, shops and leisure offer of Ibiza town. It is also an area well connected to other interesting areas of the island: Jesús, Santa Eulalia, beaches, countryside,...

The house has been completely refurbished this year 2023 and has two living rooms, one at the entrance of the house. Going down some steps we find the other living-dining room with beautiful sea views and access to the front terrace with access to the pool.

Next to the living room there is a large kitchen with sea views also with access to the pool from a sliding door.

The swimming pool is located on the side of the house and has a large solarium with beautiful views from its glazed terrace. There is access from the pool to another large terrace where there is a barbecue and ping pong table.

In the interior part of the house there is a lift to access the upper floor where the master bedroom is located, a large suite with a large dressing room and a private bathroom with two showers.

The house has a total of 5 suites with private bathrooms.

The electrical and plumbing installations have been fully upgraded with the 2023 renovation, as well as the lift.
