A Hidden Gem in Ibiza’s Northeast

IBIZA COUNTRY VILLAS

Nestled between sea and forest on 85,000 m² of unspoiled Ibizan land, this villa is more than just a home—it’s an experience. A place where raw beauty meets architectural mastery, where every curve and contour tells a story of tradition reimagined.

IBIZA COUNTRY VILLAS

Step inside and feel the harmony. Light spills through skylights, dances along curved ceilings, and leads you into spaces that feel both intimate and expansive. The flow is effortless. From kitchen to living room to terrace, there are no barriers—only transitions. Every window is a canvas, framing Sabina trees, deep green forest, and flashes of distant blue sea.

At the heart of the home: a heated pool carved from rare Lapponia Verde marble. A jewel set in stone. Surround it with friends, music, or silence—this place adapts to your mood.

IBIZA COUNTRY VILLAS

Six bedrooms. Six sanctuaries. Each one crafted with intention, grounded in natural materials and layered with quiet luxury. Two master suites offer walk-in wardrobes and terraces where the sunrise feels like it’s yours alone.

From the sound system to the security, every detail is designed for ease. You’ll feel it in the underfloor warmth beneath your feet, in the hum of music inside and out, in the peace of knowing you’re completely protected—yet completely free.

IBIZA COUNTRY VILLAS

Just minutes from San Carlos and a short stroll to Cala Mastella, this villa is the rarest kind of refuge: one that offers deep stillness without ever feeling remote.

This is Ibiza living at its most inspired.
