Exclusive DesignVilla , Natural Setting, and Expansive Grounds in Morna Valley

Discover this truly exceptional villa located in the sought-after district of San Carlos. Built in 2017, this one-of-a-kind home has been thoughtfully designed to combine comfort, privacy, and functionality, all within a breathtaking natural environment.

With 720 m<sup>2</sup> of living space, the property features nine spacious bedrooms and eight full bathrooms, making it ideal for large families, wellness retreats, or anyone seeking space and independence.

Set on an impressive 28,000 m<sup>2</sup> plot, the estate offers a rich natural landscape with a private orchard, a diverse variety of trees, and multiple outdoor areas perfect for relaxation, entertaining, or future development.

A highlight of the property is the spectacular private swimming pool, offering the perfect spot to unwind while enjoying the serene surroundings. The home also benefits from its own water supply, ensuring self-sufficiency and sustainability year-round.

The villa's unique architectural design and high-quality finishes create a warm and elegant atmosphere that blends harmoniously with its surroundings. All this, just minutes away from essential services, yet immersed in peace and nature.

An unrepeatable opportunity to make this architectural gem your new home or a high-potential investment.
