Charming Ibizan Farmhouse in Santa Agnès

This authentic traditional estate is a gem of the Ibizan countryside, a refuge full of history, serenity, and natural beauty.

Located in the picturesque surroundings of Santa Agnès de Corona, the property is surrounded by almond trees, olive trees, and centuries-old carob trees, creating an environment of absolute peace and connection with nature.

With an area of approximately 385 m², the main house retains the original character of Ibizan farms, with cedarwood ceilings, thick whitewashed walls, and a layout that invites relaxation.

It features a fully equipped kitchen with a fireplace, a cozy living room, and a spacious dining area filled with light. It has two double bedrooms and two spacious bathrooms, all decorated in a style that combines local tradition with modern comfort.

At the entrance of the estate, there is a 22 m² independent studio, ideal as guest accommodation, a creative workspace, or a small personal retreat.

The finca sits on a plot of 11,000 m², with large landscaped areas, covered terraces, and a swimming pool perfect for enjoying sunny days. The outdoor area offers several spots for outdoor dining, relaxing, or simply enjoying the views of the countryside.
