A Rare Collection of Luxury Villas Overlooking Es Vedra

Park Es Vedra is an exclusive new development of seven luxury detached villas set in a tranquil natural environment, just a short walk from Cala Carbo. Each villa features a private pool, expansive terraces, and uninterrupted views toward the iconic rock of Es Vedra. Designed with timeless architecture, clean lines, and floor-to-ceiling glass, the homes are filled with natural light and seamlessly connect indoor and outdoor living spaces, creating a serene retreat ideal for enjoying Ibiza's climate year-round.

Perfectly positioned on the island's southwest coast, the project offers privacy and calm while remaining close to renowned beaches, restaurants, San Josep, the airport, and Ibiza Town. Carefully oriented to maximize sea views, sunsets, and privacy, Park Es Vedra combines modern elegance with a deep connection to nature. A rare opportunity is now available as one villa has returned to the market following a buyer's withdrawal.
